Strengthening Performance, Accountability and Civic Engagement

Addendum to the SPACE Program Memorandum

Based on the Programme Memorandum: EU Programme for Strengthening Performance, Accountability and Civic Engagement (SPACE) of Democratic Councils in Cambodia, March 2010

The following points of the above mentioned Program Memorandum are changed as follows:

1. The duration of Programme will be prolonged until 30.06.2012.
2. The budget of the Program of Euro 3.880.000 will be increased by Euro 650.000 German contribution (New additional allocation in 2010 to strengthen local councils). A revised budget is approved and attached.
3. The Programme will not establish any additional steering structures and align with the emerging structures in the framework of the PBA for Sub National Democratic Development. Replace Para 67.
4. GIZ will prepare regular reports, at least every 6 months which will detail activities undertaken and include all relevant reports and documents prepared in the framework of the EU SPACE Programme. There will be an independent evaluation review process in November –December which will assess progress and lessons learnt and provide recommendations for further support. Replace Para 69.
5. Regular technical meetings of European Development partners supporting or interested in the local government reforms related to the implementation of the Programme and the EU support to the Sub National Democratic Development will be organized by the EU lead development partner with support from the EU SPACE Programme. Replace Para 70-72
6. Delete Para 73
7. All programme resources will be subject to a final independent audit by a competent firm of auditors and in accordance with internationally accepted accounting standards.
